Agenda – continued

Acceptance of Payments/Dues (decide today?)

- **Cashapp** - can't use a phone# since leadership can't change annually. Our APD gmail email won't accept the Cashapp confirmation email to set it up.
- **Venmo** - Setup only accepts a phone#. No emails.
- **Paypal** - Would have to link to a bank account and have a primary contact. If the leader changes from year to year, we would have to submit the new leader(s) name
- **MyPayment Plus** - Could setup a line item for All Pro Dads. The pro is it will be available to Partee parents. The main con is that we will have to go through the Bookkeeper to receive funds. We would have to submit a check request, she would process it and give the primary lead the check maybe 2 or more weeks later.
