

Legacy Driven Foundation, Inc.

PO Box 390872
Snellville, GA 30039

Dear Valued Supporter,

I hope this message finds you well. On behalf of the Legacy Driven Foundation, Inc. (LDF), I am excited to invite you and/or your organization to become a valued sponsor of our mission to empower underserved youth in Metro Atlanta through mentorship and personal development programs.

LDF is a 501(c)(3) non-profit organization dedicated to transforming young lives. From academic tutoring and financial literacy to cultural excursions and STEM initiatives, our programs equip 3rd-12th grade students with the tools and confidence to excel. Your support can help us:

- Expand our after-school, weekend, and summer mentorship programs.
- Provide essential learning tools such as laptops and educational subscriptions.
- Fund transportation for educational trips and community events.

We offer sponsorship tiers ranging from **Bronze (\$250)** to **All In, All Faith (\$5,000)**, each with unique recognition benefits such as company listings on our website, newsletters, and social media, along with a custom LDF gift as a token of our appreciation.

Your partnership will not only enhance the lives of the youth we serve but also connect your organization to a cause that resonates deeply within our community. Together, we can create more success stories like that of a young mentee who overcame emotional challenges to become a thriving high school student.

We would love to discuss how you and/or your organization] can support our efforts and inspire change. Please feel free to contact us at info@legacydriven.org or **404-941-0209**. You can also visit our website at www.legacydriven.org to learn more about our programs and sponsorship opportunities.

Thank you for considering this impactful partnership. Together, we can continue building a legacy of empowerment and opportunity for generations to come.

Warm regards,

F. LaMonte Leath - CEO/Founder
Legacy Driven Foundation, Inc.
Impacting Youth = Impacting Communities
