

Legacy Driven Foundation, Inc. (LDF) School Year Student Requirements

www.legacydriven.org

Requirements:

- Students must attend all biweekly mentoring sessions. Attendance will be recorded at the beginning of each session.
- Absences: If a student misses a lunch session, they must notify their mentor immediately with a valid reason to receive an excused absence.
- After-School Mentoring: Attendance is optional but strongly encouraged.
- Virtual Mentoring: Attendance is optional.
- **Positive Behavioral Intervention and Support (PBIS)**
 - If a student receives a behavioral plan, it must be submitted to Legacy Driven within 48-72 hours of receiving the plan.
 - We will discuss the plan with each student and possibly follow-up with the teacher.
- Homeroom teacher student reports will be submitted to Legacy Driven in the areas of: behavior/conduct, focus, dependability, emotional health, peer relationships and work ethic. **(Once per month)**

Academics:

- Progress report shall be submitted to LDF every reporting period via our website.
- Grade(s) below 70 – an explanation of what steps are being/will be taken to improve in that subject matter must be submitted to LDF via our website.
- School support is non-existent – if the school is NOT giving or has not offered additional support for the subject matter(s) where the student's grade is 70 or below, a “Letter of Support” may be requested. (Note: Facts will be gathered before a letter is written on the student’s behalf.)

Social Media Weekly Challenge:

- We encourage every student to pick 1 to 2 days each week to go completely social media-free!
- The Goal: Avoid social media on any device for a full 24-hour period.
- Note: Select regular school days (days off and breaks do not count toward your target).

Note: Foundation staff reserves the right to speak to teachers, counselors and/or any other support member that is involved with the youth’s education, at any time during the school year.

Thank you for your support as we continue to work to support our students. Stay Legacy Driven!

Regards,

LaMonte Leath - CEO/Founder of Legacy Driven Foundation - lleath@legacydriven.org
